

Intelligent sounder

The intelligent sounder is a high efficiency addressable electronic multi-tone sounder.

The device is fully compatible with all fire control equipment utilizing the Argus Vega fully digital communication protocol. In case of alarm the sounder is activated by the control panel.

Features and benefits

- Fully intelligent
- Integrated short-circuit isolator
- Sound pressure level 92 dB
- Selection of multiple tones
- Operating temperature range: $-30\text{ }^{\circ}\text{C}$ to $+55\text{ }^{\circ}\text{C}$
- 5 years product warranty

Technical specifications

Address range	From 1 to 240
Power supply (via loop)	10 - 40 V
Current consumption from the loop:	
Standby mode	80 μA
Alarm mode (depending on brightness)	12 mA
Dimensions	107 mm x 47 mm
Weight	100 g
IP rating	IP43
Max tolerated humidity (no condensing)	93% RH
Operating temperature range	from $-30\text{ }^{\circ}\text{C}$ to $+55\text{ }^{\circ}\text{C}$

Warranty

All devices are supplied with the benefit of a limited 5 years warranty. This warranty is invalidated by mechanical or electrical damage caused in the field by incorrect handling or usage. Product must be returned via your authorized supplier for repair or replacement together with full information on any problem identified.
